**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are finally able to get fast internet connections thanks to Sonic. The rate we pay is reasonable and the customer service is great. Under AT&T, we used to get rate hikes regularly for the lousy service. Where we live, the DSL or U verse was extremely slow even after some upgrades. That why we terminated the contract with AT&T when Sonic came to rescue. We support broadband competition and we fully support SONIC.

Sincerely,

Laurie Ho
